With an intake of 240 students, SRLIM is one of the constituent colleges of SU and a renowned management Institute, providing quality management education through a 2-years full-time MBA Programme since 1999. At SRLIM, learning and holistic development of students transpire through differentiated experiential pedagogy, case studies, live projects, games, simulations, and internships. The institute places a strong emphasis on institute-industry collaborations and commitment to the service of society at large.
