Report on Final Campus Placement of CTX Life Science Pvt. Ltd. at SRLIM, Surat

CTX Life Science Pvt. Ltd. offered INR 1.8 lacs p.a. to students of S. R. Luthra Institute of Management (SRLIM), Surat on 13th April, 2016

CTX Life Sciences is an Active Pharmaceutical Ingredient (API) and Intermediate manufacturing company, having a cGMP facility spread over 38 acres of land at Sachin, Surat in the state of Gujarat in India. It is an integral part of 40 years old, privately held Colourtex Group of companies, which has over 2000 employees. CTX Life Sciences has the support and access to Colourtex's large infrastructure suitable for chemical and pharmaceutical operations.

CTX Life Sciences inherits the 'chemistry' & 'environment infrastructure' strength from its parent company to become a global supplier of APIs and Intermediates to pharmaceutical and chemical industries, by utilizing its ability to handle complex chemical synthesis. The company has built up strength in the development, process optimization, scale-up and cGMP production of APIs and Intermediates. In order to meet the regulatory requirements, molecule formation, isolation of API and their subsequent operations such as drying, milling, blending and packing are carried out in a facility having cGMP practices.

CTX Life Science offered designation of Officer with Maximum Earning Potential of INR 1.8 lacs p.a to final year students of S. R. Luthra Institute of Management, Surat. 26 students showed interest to generate business with old as-well with new customers, to be coordinator with various departments like Supply chain, PPIC, Production, QA to ensure supply of finished goods delivery on time and keep track of receipt and remittance of funds for various project. 13 students were shortlisted based on resume and interviewed on 13th April, 2016 by Mr. Rajesh Patel (Assistant Manager – HRD, CTX Life Science Pvt. Ltd.) at company premises.
