**International Institute of
Management & Technical Studies**

International Institute of Management and Technical Studies (IIMT STUDIES) is the institute registered with ISO 9001: 2008 in India. Established since 2009, the institute has a pan-India presence with over hundreds of associates all over the country. IIMT STUDIES offers professional certification courses from the diploma to master's level in the areas of management, engineering and computer applications through distance learning mode. Last year IIMT STUDIES launched programmes in association with Gujarat Technological University and Gujarat Knowledge Society to empower the education for students stepping in the beginning of the college semesters. The institute is also affiliated with many national and international bodies and organizations in academic terms. Institution also has been affiliated with Ahmedabad Textile Industry's Research Association (ATIRA).

International Institute of Management and Technical Studies (IIMT STUDIES) visited SRLIM campus, Surat on 12th March, 2016. 15 Students participated in pre-placement talk, conducted by Mr. Suleman Khatri (Head – HR and Admin). Mr. Khatri briefed about the company and highlighted current industrial trends. He also gave detailed idea about the job profile. The offered designation was Executive Marketing with maximum Earning Potential of INR 3.50 Lacs p.a. for Surat location. Several questions were asked by students about growth prospects, incentive structure etc. and all these queries were satisfactorily resolved by the company executive. 12 students decided to go for further process of selection.

After pre-placement talk, the written test containing questions related to basic quantitative, logical reasoning and verbal ability was executed. All the students cleared the written test and moved further for first round of interview. 7 students were shortlisted for second and final round of interview.

The final interviews were taken by Ms. Padmavathy Joshi (Manager - Corporate Sales) at company premises and 3 students were finally selected.
