Company Overview

Torrent Power is one of the leading brands in the Indian power sector, promoted by the Rs. 13116 crore Torrent Group – a group committed to its mission of transforming life by serving two of the most critical needs - healthcare and power. Torrent Pharmaceuticals Ltd., the flagship company of the Torrent Group, is a major player in the Indian pharmaceuticals industry with a vision of becoming a global entity in the arena. With an all-round experience in generation, transmission and distribution of power, and a proven track record of implementing large power projects, Torrent Power is the most experienced private sector player in Gujarat. Torrent has a generation capacity of 3202 MW and distributes power to 2.87 million customers annually in Ahmedabad, Gandhinagar, Surat, Bhiwandi and Agra. Company having world

class power generation establishment at Ahmedabad, Surat (SUGEN- near Kamrej), Dahej (DGEN Dahej SEZ) and at Jamnagar (Wind power). Distribution Franchise business is one area which Torrent Power has been aggressively pursuing as part of its expansion plans. Torrent Power created history by entering into the country's first distribution franchisee agreement with Maharashtra State Electricity Distribution Company Limited for Bhiwandi Circle in December 2006. It has also been awarded the distribution franchise for Agra in Uttar Pradesh and has already commenced distribution operations in Agra.
