Report on Pool Campus Placement for Alembic Pharmaceutical Ltd. On 3rd January, 2019 at Naranlala College of Management.

Company Overview

The legacy of Alembic Pharmaceuticals Limited (APL) dates back to over 100 years. Established in 1907 with an objective to develop and revolutionize the Pharmaceutical and Drug industry in the Indian subcontinent, Alembic Pharmaceuticals Limited today is one of the leading pharmaceutical companies in India.

The publicly listed entity that manufactures and markets generic pharmaceutical products across the globe has grown by leaps and bounds over the last century. With an emphasis on innovation and technology, the company has established a state-of-the-art research facility – Alembic Research Centre (ARC)-including formulation research, and 150-bed bioequivalence facility at Vadodara, Gujarat. Additionally, APL has recently invested in ultra-modern R&D centre at Hyderabad. APL is one of the leading players in the industry to have invested about 11% of its turnover in R&D.

As a growth strategy, the company has aggressively started investing in the international generics market with successful ANDA and DMF filings. APL has also filings across Canada, Europe, Australia, South Africa & Brazil. The company caters to the rest of the world markets through branded formulation sales.

The company aims to explore opportunities in the therapeutic areas such as Dermatology, Oncology, and Injectable Formulations. APL also has also co-promoted a company focused on discovery and development of innovative, small molecule drugs that target signal transduction networks and ion channels for the treatment of cancer, inflammation, autoimmune diseases and metabolic disorders.
