## Report on Final Campus Placement for Ventura Securities Limited on 7<sup>th</sup> March, 2019 at S. R. Luthra Institute of Management

Kyon ki bhaiya, sabse bada rupaiya.

## Company Overview

Ventura Securities Ltd. (Ventura) commenced operations in 1994 as a stock broking house. Over the past two decades, company has grown into a group that provides a complete array of financial products and services. Through a large network of sub-brokers, company offers the opportunity to invest and trade in equity and equity derivatives, commodities, mutual funds, fixed income products and currency futures.

They directly facilitate clients who wish to trade in equity online via our in-house, customized and ready to use software – Pointer – which enables seamless processes and flawless execution. They adhere to a well-defined risk management system and settlement mechanism thereby conducting fully compliant operations. Beyond investment avenues, the Ventura Group is constantly committed to providing investors with access to timely and relevant research and data to ensure an informed and fruitful investment experience.
