

SARVAJANIK EDUCATION SOCIETY
SMT. SHARDARANI RAMESHCHANDER

Report on Final Campus Placement for Space Technology and Education Pvt. Ltd. on 27th February, 2020 at S. R. Luthra Institute of Management, Surat

Company Overview

SPACE is the pioneer organization working towards development of science and astronomy in India. It aims to create a scientifically aware society and contribute to the technological and social development of the country. SPACE is providing services and products in the area of astronomy and space sciences to schools, colleges, NGOs, corporations, rural markets, clubs, hotels, and individuals. It is an ISO 9001:2000 certified company. It is also a member of the Confederation of Indian Industry (CII), India's premier business association. The trademark of SPACE is innovation, passion and total commitment to spread knowledge of astronomy and space sciences amongst the masses.

Every project in SPACE is an opportunity for us to communicate our belief in developing scientific temperament in people, especially children, to create an intelligent and analytic global community. Having offices in Delhi/NCR, Chennai, Surat, Ludhiana & Dehradun, SPACE has successfully implemented astronomy and space science curriculum in Indian education system.
